Dear Parents / Guardian

The **CJM Parent Teacher Association** serves as a collaborative platform for parents and teachers to work together for the betterment of the students studying in this prestigious institution with a history spanning **over a century**.

As parents, it is incumbent upon you to collaborate with the management and teachers of this esteemed institution in order to synergize our efforts to bring enriched educational opportunities to the school community. **For more than thirty-five years, CJM-PTA** has served as an ideal platform for parents to actively participate in the holistic development of students in conjunction with the management.

The school is a place where students spend the most precious and crucial developmental years of their lives. In school, they not only receive education but also imbibe moral and ethical values that ensure they become good human beings for the rest of their lives. As responsible parents, it is your moral duty to spare a few hours each year to partner with the school management, sharing valuable thoughts and ideas in the best possible ways.

With immense pleasure, we would like to inform you that the **Annual General Meeting of the CJM Parents Teachers Association** will be held on **Saturday, 27<sup>th</sup> April, 2024 at 09.00 a.m. in the Claudine Hall of the School**. The theme of the AGM 2024 is **'Building Strong Foundations – Nurturing the Emotional Quotient'**, a topic of great relevance in the present challenging arena. Questions like 'What is the best education for my children?' and 'What are the best ways of providing a strong foundation?' become even more stimulating. Boundaries today have stretched beyond IQ, PQ, or SQ, but EQ, i.e., Emotional Quotient, still plays a pivotal role in the ultimate growth of a child. Both parents and teachers must explore new ways beyond patience, persistence, and compassion, striving for new learnings every day to motivate students to reach their true potential. It's high time that we, as parents, seek expert guidance in the right direction.

The **Guest Speaker Ms. Jyotsna Bhardwaj (Renowned Orator, Psychologist & Behavioral Consultant)** will help us understand various relevant practical aspects in the said directions and equip us to become **INTELLIGENT PARENTS**.

This AGM will also include **elections for parent members for the academic year 2024-25** for the PTA Executives. **Nomination forms are available at the school reception and are also accessible on the school website ([www.cjmdelhi.com](http://www.cjmdelhi.com))**. Interested and enthusiastic parents, who would like to contest, may fill up the nomination forms. The **last date for submitting** completed nomination forms, duly proposed and seconded, at the school reception is **19<sup>th</sup> April, 2024**.
